FYI plus Tami Fordham's contact. ALSO, it sounds like some will be giving a power point presentation. Kim Williams has a power point project she can bring. Will we need to bring extension cords, etc.?

Hi Tami,

Dillingham School District

- I filled out a facility use form with the school district last Friday and spoke with Russell Nelson at the Dillingham School District. Please call Russell (contact info below) regarding "security" requirements if any need to be worked out ahead of time.
- PA System – school does not have an operable system but I'm not sure if one needed if people speak loud enough.
- Room configuration for both sessions – we should discuss so that the school knows how many chairs and tables are needed.

Sue
